

ESGC Club Records

Over the years, the rules for our various trophies have changed as we have altered the triangles, moved site or revised the handicaps. Thus it is sometimes impossible to make logical comparisons, so this page shows only flights from Wormingford.

We have various trophies that are competed for annually:

The Jeff Cork Longest Handicapped Flight Trophy

The record is shared between JOHN P. GILBERT & PAUL RICE at 613.67km

The Club 100km Triangle Trophy (WRM - RAT & NMT - WRM)

The record holder is ANDY SANDERSON at 101.01kph

The Eric Richards 200km President's Cup (WRM - EDE & ELY - WRM)

The record holder is PAUL RICE at 96.33kph

The Paul Foulger 300km Triangle Trophy

The record holder is ROB NUNN at 85.58kph

The Bob Adams Tiny Triangle Trophy
